

# NETWORKING

- We were awarded an attention and quality label by the Puglia Region Loves Family, and the Kidpass label for promoting "family-friendly" management of museum spaces;
- In 2019, we took part as an excellence of the territory at TourismA, the international exhibition of archeology and cultural tourism, in Florence, on the occasion of the 'General States of the bottom-up management of cultural heritage';
- In 2017, we signed an agreement with Icom Italia - International Council of Museums (the international organization of museums and museum professionals committed to preserving, ensuring continuity and communicating the value of the world's cultural and natural heritage, current and future, tangible and intangible), intending to increase the visits by Icom members at cultural sites;
- Since 2017, our organization has been an institutional member of the National Partnership of Small Museums with the aim of promoting a new management culture of Small Museums based on their specificities;
- In 2017, we signed an agreement with Fondo Ambiente Italiano, which sees in its mission the protection and enhancement of the Italian historical, artistic and natural heritage;
- In 2017 we signed a memorandum of understanding with Fiaba Onlus Nazionale, to promote initiatives and actions aimed at enhancing the territory and making the spaces entirely usable by everyone.
